October 1, 2009

Dear Parents and Students;

Wow! It's hard to believe that it's October already. I hope that everyone is enjoying the classes that you are taking. This month we will be having Halloween parties October 26 - 30. We will be having normal classes; however the students may wear their Halloween costume to class. If you do not want to wear a costume, it is not required. This is the one week when you may wear whatever you would like to class. Near the end of the hour we will have cider and donut holes. Students may bring additional treats if they would like to share with their class, though it is not required. Due to so many students with nut allergies, if you do bring a treat please DO NOT bring anything with nuts in it. This month we will be learning a Halloween dance in most classes. These will be performed at the party/class. This class is a fun one to video tape to watch later. Parents will be allowed to stand and watch the second half of the class from the dance room if they would like to video or take pictures. I do ask that talking while watching is kept to a minimum. There will be NO classes on October 31.

Starting this month we will be instituting a "watch week" for the parents. On the FIRST week of every month you will be able to view the classes from inside the dance room. For classes in the front room parents may sit against the lobby wall on the floor to quietly watch. All cell phones MUST be set to Silent mode. And if you do receive a call, please take it outside in the lobby. Please do not take offense if we ask you to move to the lobby area, you are paying us good money to teach your children. And that becomes difficult if they are distracted. On the weeks that you watch from the lobby I ask that everyone please remember to be courteous to all parents and give everyone a chance to watch through the archway. I also ask everyone to be courteous to the students in the front room and only walk through when they are not dancing. Your cooperation is very much appreciated.

The Students of the Month for October are Kristen Meinhardt and Lily Snyder. See their pictures and description of why they are student of the month on the lobby bulletin board. Congratulations to you both. The Students of the Month Program is how we like to showcase one or two students a month that demonstrate good behavior in class, respect for their instructor and other classmates, a willingness to try their hardest, and an overall love for dance.

From this point on Students MUST wear dancewear to class. If they do not come prepared they will be given a loaner leotard to wear and return. With the weather cooling off soon the studio will be cool. Please remember that the students are not allowed to wear "Baggies" over their leotards. They may wear a turtleneck or tight t-shirt under their leotard or a dance sweater and leg warmers over. We have some new hand knitted leg warmers available; take a look in the showcase for colors. Each pair is \$8.50. Check our clothes rack for new items the next time you are in the studio.

Please remember that your Cookie dough/Carmel Corn pick up will be October 21, 2009 (Wednesday) from 3-7 p.m.

If you have not been receiving the email updates I have sent out in the past month I do not have your email address correct. If you would like to receive these updates, please email me through the studio website to be added to the list. We do not sell our email list and we don't sent junk mail, just valuable info about classes.
